OFFICE ORDER

The Medical Council of India by MCI regulations on Graduate Medical Education, 1997, made it mandatory for all medical colleges to establish medical education units in order to enable faculty members to avail modern education technology for teaching. Hence medical education unit has been constituted as per the latest guidelines issued by National Medical Commission (NMC) dated 22/03/2023.

Aim – To make teaching and learning more effective in all phases of education including undergraduate, postgraduate and continuing education.

Objectives

1. To create awareness amongst the teachers regarding principles of medical education
2. To initiate teachers to evolve educational strategies for better educational outcome
3. To promote educational research

Scope

1. To train the Medical education Unit faculty for Basic Course on Medical Education, Curriculum Implementation and support program and also advanced course on Medical education.
2. To train all the faculty in Basic Course in medical education
3. To conduct various workshops and seminars on innovative teaching learning methods.
4. To encourage students to actively participate in various learning activities.

Medical Education Unit - Minutes of meeting

REF NO: BGS MCH/MEU/03/2024

DATE:01/03/2024

Venue – Board room, BGS MCH Hospital

The following are the points of discussion and plan of action

1. The meeting was started by formal introduction to the committee members by the Chairman, Dr. Gangadhar followed by introduction of committee members.
2. The MEU coordinator elaborated on the goals and objectives of the committee and the principles of medical education
3. Following functions and activities of the committee were discussed as follows
 - a. Meetings: MEU meetings will be convened minimum of 6 times in a year. Need based additional meetings will also be convened. Meeting agenda will be circulated to all members 1 week before the scheduled meeting so as to add any extra topics for discussion.
 - b. Annual basic course medical education (BCME): it was decided that all members must compulsorily undergo BCME training organized as per Nodal center and NMC directions. Once the criteria for conduction BCME at the institution is met, same course will be conducted in house at the earliest.
 - c. Orientation and induction programs and Foundation course: All 1st year HOD's must prepare timetable for 1 week of foundation course as per NMC guidelines and also prepare master timetable with 80% of integration.
 - d. Advanced course in medical education (ACME): faculty of the institute will be encouraged to undergo advanced training in medical education at nodal centre to which the institute is affiliated.
4. Meeting was concluded at 3.00 pm by thanking all the members for their active participation and suggestions.
