BGS Medical college and Hospital

Paramapoojya Jagadguru Padmabhushana  
Sri Sri Sri .Dr. Balagangadharanatha Mahaswamiji  
Founder, Sri Adichunchanagiri Shikshana Trust

Our Founder , Jagadguru Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji (1945–2013), the 71st Pontiff of Adichunchanagiri Mahasamsthana, was a revered spiritual leader, visionary educator, and tireless social reformer. Born into a humble farming family, he embraced monastic life at the age of 19 and went on to master ancient scriptures under his Guru, Sri Sri Sri Ramanandanatha Mahaswamiji.

Ascending the spiritual throne in 1974 at the age of 30, Mahaswamiji combined spirituality with service, believing in uplifting society through both knowledge and compassion. Through the Sri Adichunchanagiri Shikshana Trust, he established over 480 schools, Sanskrit colleges, healthcare institutions, and social welfare centers, touching the lives of millions—especially in rural and underserved communities. A pioneer of inclusive development, he championed environmental protection through the Go-Green Earth Movement, and provided care for orphans, destitute women, the elderly, and the mentally challenged.

His legacy continues through the many institutions he founded, embodying his enduring message: "**Service to mankind is service to God.**"

Paramapoojya Jagadguru

**Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji**

Chancellor, Adichunchanagiri University

Our Chancellor, Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji, the 72nd pontiff of the 1800-year-old Natha Parampara and Adichunchanagiri Mahasamsthana, is the spiritual successor of Sri Bhaktanatha, Sri Chandrashekaranaatha, Sri Ramanandanatha, and Dr. Sri Sri Sri Balagangadharanatha Mahaswamiji. A civil engineering graduate from NIE Mysore and M.Tech from IIT Chennai, Mahaswamiji chose a life of service over material pursuits, dedicating himself to societal upliftment, especially for the underprivileged. Following his Guru's legacy, he champions the motto "Service to mankind is service to God," which shaped the vision of the BGS Group of Institutions.

Established in 2024 at Nagaruru, Nelamangala, BGS Medical College and Hospital stands as a beacon of excellence, committed to delivering world-class healthcare and transformative medical education. Nestled in a serene and inspiring setting, BGS Medical College and Hospital features state-of-the-art infrastructure, technologically advanced classrooms, and cutting-edge practical laboratories designed to foster excellence in learning and patient care. The institution is committed to holistic learning and offers UG programs in MBBS, Nursing, Physiotherapy, and Allied Health Sciences, supported by experienced faculty and premier clinical facilities.

## THE ADMISSION PROCESS

### MBBS PROGRAM

The admission process for the MBBS program is strictly conducted through the Karnataka Examination Authority (KEA). Candidates must stay updated with official KEA announcements and follow the steps below:

#### 1. Registration with KEA:

- Visit the official KEA website: <http://kea.kar.nic.in> & Register for the UG NEET counselling.
- Upload required documents as per KEA guidelines.

#### 2. Participate in KEA Counselling:

- Fill your choices for Government, Private, and Management/NRI quota seats.
- Seat allotment is done entirely through KEA.
- Follow KEA's official counselling schedule and instructions.

#### 3. Document Verification:

- Attend the KEA document verification session with all original certificates.
- KEA will retain the original documents during counselling.

#### 4. Download Admission Order:

- After seat allotment, download the official Admission Order from the KEA portal.

#### 5. Fee Payment:

- Pay the first-year tuition fee directly to KEA as instructed in the admission order.
- Pay miscellaneous fees and hostel charges at the college.

#### 6. Reporting to College:

- Report to BGS Medical College & Hospital on the date specified by KEA.
- Bring the following:
  - o Admission Order
  - o 2–3 sets of attested photocopies of required documents
  - o KEA fee payment receipt

### OTHER UNDERGRADUATE PROGRAMS

For undergraduate programs other than MBBS (Nursing, BPT, Allied Health Sciences):

- 40% of seats are filled through KEA counselling
- 60% of seats are filled through direct college admission

#### Eligibility Criteria:

- Passed 12th Grade/2nd PUC from a recognized board.

- Participate in counselling and seat allotment as per KEA guidelines.

##### 2. For Management Quota (60%):

- Contact the college admission office directly.
- Visit the official college website to access the application form and process.
- Submit required documents and complete admission formalities as per college guidelines.

**Dr. V R Krishna Murthy**  
Chief of the Hospital

As the Medical Superintendent of BGS Medical College Hospital, Nagarur I am privileged to serve under the spiritual guidance of Paramapoojya Jagadguru Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji and Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji, Chancellor ACU within the esteemed framework of Adichunchanagiri University. It is a matter of great pride to lead an institution renowned for its commitment to excellence in both healthcare and medical education.

Anchored by our mission to deliver compassionate, high-quality, and accessible healthcare, we are unwavering in our dedication to serving all sections of society with empathy, respect, and integrity.

Our state-of-the-art, 1000-bedded tertiary care hospital is equipped with 11 modular operation theatres and specialized Intensive Care Units (ICUs) for Obstetrics, Neonatology, and Pediatrics. A fully operational 24/7 emergency department, supported by a fleet of dedicated ambulances, ensures the prompt delivery of life-saving interventions.

We offer a broad spectrum of in-patient facilities, ranging from general wards to premium accommodations, tailored to diverse patient needs. Our advanced diagnostic capabilities—driven by a fully automated laboratory and cutting-edge radiology services—ensure timely and precise clinical insights.

With a wide array of multi disciplinary departments and super-specialty clinics housed under one roof, our institution provides holistic and integrated medical care. This is made possible by a team of highly skilled healthcare professionals, supported by modern infrastructure and technology. The enduring trust of our patients and the tireless commitment of our staff form the foundation of our continued growth and reputation. As we look toward the future, we remain focused on widening access and enhancing the quality of our services, reaffirming BGS Medical College Hospital's role as a beacon of excellence in the healthcare sector.
